## VISITOR MAP

### Share your moment!

#PerthHillsArmadale  
Share pics, videos and thoughts during your stay via social media.

PerthHillsArmadale  
 @PerthHillsArmadale

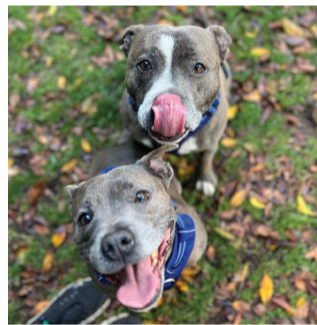

Photo credit: @dogsoffizzie

We recommend regular vaccination for any furry hills explorers due to periodic Parvovirus outbreaks in Perth.

Please keep your dog on a lead and clean up after your pooch. Help do your bit to keep our hills beautiful!

### Ask the locals!

#### Wanting to know more about the latest events and attractions?

The Perth Hills Armadale Visitor Centre provides information on coming events, tours, attractions, accommodation, restaurants, tourist venues and natural sights in the region. Our friendly team are readily available to provide you with key information, helpful advice, answer any questions you may have as well as take care of all your bookings.

### The Pink Cafe

1 A local favourite for barista coffee, delicious breakfast or lunch, plus a great dog-friendly outdoor seating area, so your best friend doesn't have to stay at home! While you're deciding exactly how you like your eggs, don't forget the dog biscuits at the counter for your furry friend. It doesn't matter how fussy they are, there's something for your best bud whether they like their special something baked, smoked or dehydrated. Pick up some treats to take home with you or for a snack on your adventures.

## For Adventurous Dogs and Owners

**8** Start your day early with breakfast (from 7am on weekends or 8am weekdays) at Avocados Café. With a range of options from pancakes to a full breaky, you're bound to find something to fuel you up for your days adventure.

**9** **10** From Avocados, take a scenic drive to Canning Mills Road and enter Banyowla Regional Park. Be sure to take plenty of water for you and your furry friend as you tackle the Contour Channel Walk, taking in the magnificent views of Perth from the Hills. If you're after a longer walk why not check out the Wungong Gorge Trail, a 5.5km (one way) trip taking in the remains of the old homestead, quarry and orchard of the area.

Please note that animals are not allowed in the vicinity of the dams.

## For History Buffs

Follow in the footsteps of Western Australia's most infamous bushranger, Moondyne Joe.

**16** The Canning River Interpretive Trail winds alongside the Canning River through Roley Pool Reserve, a local favourite for decades. Moondyne is rumoured to have camped out in the region in a cave while on the run from authorities. Marvel at the large granite boulders and rock faces; see if you can spot his historic hideout!

**17** From Roleystone, head across the hill to Bedfordale to visit the Last Drop Elizabethan, an old English style pub in the Perth Hills with a paw-friendly village green for well-behaved pups! Share your snaps by tagging IG@dogsofthelizzie.

It's also the oldest boutique brewery in Western Australia, established in 1992 and boasts award winning offerings including Czech Pilsner and cider. The restaurant serves all of your favourite pub grub making it a perfect end to a hard day's exploring.

## For Foodies and Family Fun Seekers

**11** Begin with coffee and a sweet treat or try a specialty latte at The Organic Circle. Enjoy the ambience of a time gone by with pioneer style buildings and garden beds full of roses.

**12** Or perhaps grab a coffee from Coffee at the Shed and ramble through beautiful Raeburn Orchards, let your dog enjoy trying to sniff every tree on the property! Catch the changing seasons and grab a pic with your pooch in the Orchards. The fruit trees are especially beautiful in Autumn when the leaves change to a sea of fiery oranges and reds, and in spring when the blossoms are in full bloom.

**18** Fuel up with a hearty meal at Naked Apple Cider in Karragullen. The 6.4 hectares of grounds are filled with art, enchanting gardens, sculptures and hidden nooks, making this a gem a must visit place. Naked Apple Cider is an award winning, family friendly venue where you can sit back, relax and take in the serenity of the Perth Hills with your fur baby.

**13** Settlers Common geocache trails. Settlers Common, located in Armadale just off Albany Highway, has a series of caches within easy distance from the paths. A hide and seek treasure hunt that ties into the digital age, this adventure has something for every member of the family. In spring the trails colourfully transform with wildflowers.

**4** Last stop of the day is John Dunn Memorial Park's off-leash dog exercise area, with three fully fenced enclosures for small, medium and large dogs. Let your dog make some new friends or try out the agility and exercise equipment.

## For Culture Lovers

Rediscover Armadale's street art with a walk through Armadale's CBD. The trail features murals from local and international artists, covering a wide range of topics like Noongar connection to the land.

The trail also takes you past several sculptures that reflect Armadale's historic and cultural story. Although dogs are not permitted within Memorial Park, the rest of the murals make a relaxing walk through the town centre. Head to the Perth Hills Armadale Visitor Centre at 40 Jull Street to pick up a Rediscover Armadale map.

### Armadale Highland Gathering and Perth Kilt Run

Celebrate all things Scottish, including the dogs! The day starts early with the Perth Kilt Run. Run or watch the 2.5km Fun Run or the 5km Warrior leg. Registration and entry fees are required for the kilt run but the Scottish celebrations, markets and entertainment are free for all. Scottish dogs are also on display,

from West Highland Terriers to Scottish Deerhounds so why not make some new friends?

Praiseworthy pooch at the Perth Kilt Run. For other events, visit Perth Hills Armadale Visit Centre.

## For Nature Lovers

**14** The trails of Bungendore Park are popular with nature lovers and renowned for wildlife and wildflower spotting. Dogs on leads are welcome and with five trails on offer the park caters for different levels of fitness.

If you want a good stride out, check out the Honeyeater Hike trail. At around 7.7km it covers the western side of the park affording views out across the Swan Coastal Plain and traverses the Cooliabberra spring region with freshwater streams through winter and spring.

**15** Tackle the Ellis Brook Valley. The popular 60 Foot Falls trail is located in Martin and is a biodiversity hotspot. Although the views are stunning all through the year, the trail is at its best in winter when the waterfall is flowing and Barrington Quarry is full of water, as well as in Spring when the wildflowers and wildlife are out.

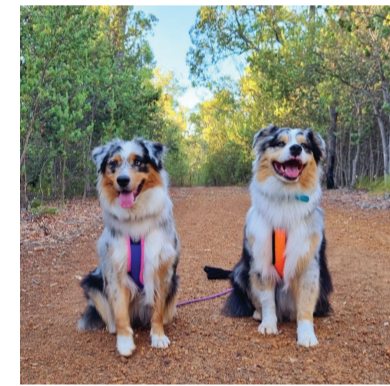

Photo credit: @Norsonix\_aussies at Bungendore Park

The walk trails at 60 foot falls include a number of viewing platforms allowing you and your furry friend to rest between stages and take in the views.

## Seasonal Events

### Roleystone Markets

Roleystone Markets hold a different theme each quarter of the year to celebrate and embrace the changing seasons, with unique activities for you and your four-legged friend, seasonal produce, local vendors, arts and crafts and mouth-watering food. Visit their Facebook page to find out their dates.

### Bedfordale Bush Markets

A local favourite, these markets are held on the second Saturday of each month and feature all sorts of local artists and growers. Each market has its own theme, head over to the Bedfordale Bush Market's Facebook page to stay in the loop.

### Piara Waters Markets

If you're looking for something to do with your four-legged friend on the weekend then head down to Piara Waters Farmers and Artisan Market. A market that encourages you to bring your pooch down to explore everything from local produce, local made gifts and different cuisines for you and your dog. This market is fortnightly, keep an eye on their social pages for updates.
